Kunst.Ort.Rumpenheim e.V. has been working closely and trustingly with the church council of the Protestant Schlossgemeinde for many years. However, the KUNSTTAGE RUMPENHEIM are neither a church nor a Christian religious event, but are non-denominational, non-ideological and open to all. However, we expect respectful treatment of the values represented by our host, the Protestant Schlossgemeinde.

**The Protestant Castle Church is a listed building dating from 1761.** We would therefore like to point out that there is a strict ban on any fixtures, fittings, etc. that could damage the fabric of the building; in other words, no drilling, no nailing, no screwing!!!

Any planned mounting or hanging devices etc. must be agreed with the organiser. **Violations will result in exclusion and possible claims for damages!**

It is imperative that applicable fire safety regulations are observed in the church premises. Escape routes must be kept clear at all times!

**Please note that the church is in use during the exhibition period.** Church services will continue to be held. We refrain from projects that could threaten the structural integrity of the Protestant Castle Church, also with regard to fire safety regulations!
